O0646 LEADERSHIP IN SUPERVISION:

CREATING ENVIRONMENTS FOR PROFESSIONAL GROWTH

This two-day course presents the supervision with the basic leadership skills and tools needed to perform effectively in the Fire and EMS environment. The course includes concepts related to a successful transition to supervisory and leadership roles, including concepts of adaptive leadership; change management; active followership; effective communication, including difficult conversations and advocacy-inquiry based dialogue; ethics; authority; power; decision-making; and active engagement through development of a personal plan.

FO646 – Creating Environments for Professional Growth is one of the required classes toward completion of the National Fire Academy's Managing Officer Program.
