Committee Reports:

- Not planning classes at this time
- Pumper Operator tentatively June 13, 14, 20, 21. LFA may opt to do it in house as a hybrid unless sufficient need to open it up to the region

Old Business:

- None

New Business:

- OVFA cancelled before we drafted the letter.
- EMS BBQ is happening today at 11 am. putting everything in to go containers and take it with you
- Lon messaged after last meeting. Do we need to add CLEMS as an agenda item?
- Is it possible to order medications through CLEMS? CLEMS does not have a Physician Advisor and ordering direct may make CLEMS a pharmacy so probably not be an option. Officially, CLEMS doesn't exist anymore as it has merged into R5TA.
- Money in the CLEMS account and still needs to be transferred to the R5TA bank.
- Peace Health offering Trauma Grand Rounds Enduring CME to help others with EMS recertification:
