Committee Reports:

DLO: DLO Meeting last Wednesday. DPSST no longer prints wallet cards. F9F form has been improved. John Chase is the new Fire Program Support Specialist. Brook talked about how many packet have been turned in and not turned in. Some from Lane County have not turned in their packets for recertification yet. Julie talked about opening the Skid Truck program soon. Winter Fire School cancelled due to Covid-19. New Director position just closed. Governor should make selection soon.

DPSST: Campus is closed. Instructor 1 classes going on currently. Pumper Operator and FLAG planned. Contact Robert with needs and/or questions

LCC: No Report

OMB: Still looking for membership. Actively accepting applications

MCB: No Report

Classes:

- Not planning classes at this time
- Just started hybrid FO2 class. 8 in the class. In person portion will be early March

Old Business:

- CLEMS. Good on backboards. Still need for vacuum splints. **Sherwood motioned to purchase \$5,000 worth of vacuum splints, Bailor seconded. Motion Carried**

New Business:

- None

Good of the Order:

- ESF @ ~80% vaccinated for Covid. Done with first round of vaccinations. Boosters are ordered but unknown when they will arrive.
- Peacehealth still offering live online CE at **EMS Coordinator.com**
- Chief Heppel sat on the NFPA 1021 advisory board. Not a lot of changes. Sub committee creating a crosswalk between NFA classes and FO 1-4. Don't expect FO credit for Leadership In Supervision or EFO. Community Risk Reduction project will be added to certification requirements.
- ESF ordered 5 ambulances and a new engine.
