EMS: No Report

Fire: No report. Rileys last meeting. Casey now treasurer

Committee Reports:

DLO: Kayla said its fine to just keep a snapshot of current certifications (don't need a copy of every single cert unless you wish to). Recruiting meeting will be at Coburg on Thursday the 10th

DPSST: -Skid truck on campus currently. Trying to bring it locally April 4 or 5th, classroom in Goshen. Interest in hybrid classroom done online (target solutions)? Hands on at the Hampton mill. Possible dates April 11, 13 14, 16, 22. (will finalize dates as classes fill up and demand is determined). Will formalize online classes soon. Also in the works aerial operator in March on campus. Tentatively May in South Lane. Online hybrid. No quorum at last meeting so tabled until next meeting on 26th of February

LCC: No report. They may be struggling for evaluators.

OMB: No report

MCB: Keep tracking protocols for updates and check "pending" section. May see some antibiotics added. EPCR state is looking at more regulations at first response. Somebody needs to be writing a chart of some kind. Image trend is Junction City and Harrisburg, ESF may be going. Working on integrating with current versions so that forms work across the county.
