OSAA: Met last week. Lebanon fire joined. With new political appointees on the horizon, looking at future planning. Need replacement on the stroke committee. If interested give the state a call. EMS Elderly Committee has been formed and will report to the state EMS committee. State EMS conference will be in Bend October 20-22. T3 is stalled in this legislative station. Oregon POLST is going to put out an app for us on Android and Apple. Hoping to be operational by August.

EMS State Committee: All positions filled. State will be looking for a new EMS manager soon. Resuscitation Academy October 22 in Bend. December will focus on CPR assisted dispatch. New OSHA rules around heat and smoke. Ambulance re-cert next year for Lane County. Reach out if you have any questions or concerns. It is expected that everyone will be out of compliance with ASA (“can’t hit our numbers”?) so be proactive. Looking at ambulance off load times and communications

Classes:

- We want to make a long term list of classes that R5TA wants to teach annually. Send ideas for classes to Brandt. Both for classes in general and/or to request funds from DPSST
- LFA planning EMR in the fall. May also be one in Oakridge and/or combine the two

Old Business:

- \$10,000 grants still available from DPSST. Email a list of classes that are desired to Brandt so we can formulate a plan to hopefully use those funds.

New Business:

- No new business

Good of the Order:

- Scott Hollett was promoted to Fire Chief in Oakridge
- ESF has increased workload due to World Games. Working with the hospitals daily as they are on divert quite often. ESF received the slip ins for their type 6 engines, but still waiting on chassis'
