Lifeflight:

Region 5 & LCC Advisory: Visit the website for training options, next meeting is about to come.

Lane ESD Pathways Program: Shareen Vogal was present and provided updates on the proposed Professional Services agreement for the Lane ESD Fire and EMS CTE program. This included handing out a job description and posting for the program. The hope is to onboard a person and launch the program in August 2025.

Radio Group: Update on radio improvements happening around the various mountain tops. Radio user billing has been sent out by Lane County.

Wildland: Matrix with changes was sent out today prior to the meeting. Trailers are restocked, serviced, and ready for deployment. Cloning cables for the BK radios are on order.

Old Business: None

New Business:

Rose Douglas was present at the meeting representing Region 5 Training Association to discuss and present on the R5TA budget and needs for 2025/2026. Update included changes and growth to R5TA and how the association is operating today.

The request for consideration of the Fire Defense Board is that the body continues the funds previously passed along from Fire Med in the amount of \$8,000 for assisting in classes and delivery of training. This can be flagged for the agenda and discussion in June 2025.

Information sharing was completed by parties present in the room or online.

Adjourned at 1445 hours.

Next meeting is June 19, 2025 @ Coburg Fire District
